Table of Degrees, Scholarships Awards and Career Positions	S2-S4
Bibliography (Publications 1950-2013)	S5-14

Academic Degrees		Scholarships and Awards		Career Positions	
1946	BSc, University of Melbourne	1946 1948 1948	Cuming Scholarship Dixson Scholarship Kernot Scholarship	1951–54	Senior University Scholar and Residential Fellow at the Sidney Sussex College, Cambridge, UK
1948	MSc, University of Melbourne	1949–51	1851 Exhibition Science Research Award†	1953–54	Visiting Scientist at Technische Hochschule, Stuttgart, Germany
1952	PhD, University of Cambridge, UK	1952–54	1851 Senior Exhibition Science Research Award	1954–59	Senior Lecturer in Inorganic Chemistry at the University of Technology Sydney (now Uni. New South Wales)
1968	Doctor of Science (ScD) by University of Cambridge	<1961	Fellow, Royal Australian Chemical Institute (RACI)	1959–62	Section Leader of the Inorganic Physical Chemistry Group (1959) and Associate Research Manager (1960), Central Research Laboratories, Imperial Chemical Industries of Australia and New Zealand (ICIANZ), Melbourne
1977	Doctor of Science (DSc) by Australian National University	~1960	Fellow, Royal Society of Chemistry (RSC)	1962–72	Professor of Inorganic Chemistry, Dean of Faculty of Science (1971) at the University of Melbourne
1992	Doctor of Laws (LLD) (<i>Honoris causa</i>) Monash University	1968	H.G. Smith Medal, Royal Australian Chemical Institute	1967–68	Visiting Professor, Bell Telephone Research Laboratories, New Jersey, USA

1996	Doctor of Science (DSc) (<i>Honoris causa</i>) University of Melbourne	1971	Fellow, Australian Academy of Science (FAA)	1968–69	Federal President, Royal Australian Chemical Institute (RACI)
		1974	Ollie Prize, Royal Australian Chemical Institute	1972–77	Inaugural Professor of Inorganic Chemistry and Dean (1976–77), Institute of Advanced Studies, Research School of Chemistry, Australian National University
		1976	Archibald Liversidge Medal, Royal Society of New South Wales	1972	Visiting Professor, Columbia University, New York, USA
		1977	Professor Emeritus, Australian National University	1977–92	Vice Chancellor (1977–87) and Professor of Chemistry (1987–92), Monash University
		1978	Inorganic Chemistry Medal, Royal Australian Chemical Institute	1983–84	Chairman, Victorian Vice-Chancellors Committee
		1979	Fellow of Queen's College, University of Melbourne	1983–87	Chairman, International Commission on Atomic Weights and Isotopic Abundances (IUPAC)
		1987	Officer of the Order of Australia (AO)	1984–2006	Director of the Victorian Regional Committee (1984–92), Deputy National Chair (1988–94), National Chair (1995–99), Fellowship Director (2000), and National President (2001–05), Winston Churchill Memorial Trust
		1989	Leighton Memorial Medal, Royal Australian Chemical Institute	1984–95	Member of Council (1984–95), Deputy President (1991), President (1992–95),

					Victorian College of the Arts (University of Melbourne)
		1989	Fellow, Australian Academy of Technological Sciences and Engineering (FTSE)	1986–2002	Director of Circadian Technologies Ltd.
		1992	Professor Emeritus, Monash University	1988–92	Chair of the Australian Science and Technology Council (ASTEC)
				1988–92	Board member, Heide Park and Art Gallery
				1997–2002	Chairman, Optiscan Imaging Ltd.
				1989–92	Member of the Prime Minister's Science Council
				1992–2000	(1990–95) Trustee; (1995–2000) National Chairman, Selby Scientific Foundation

† Ray and his father, L.H. Martin, are reported to be the only father and son to both be awarded an 1851 Exhibition Science Research Scholarship.
