

# Australian Health Review

## CONTENTS Volume 40, Number 4, 2016

Lead...Leader...Leadership 355

### Health Service Research

Emergency response readiness for primary school children  
*Jeff Wilks, Harry Kanasa, Donna Pendergast and Ken Clark* 357

Perceptions of interactions between staff members calling, and those responding to, rapid response team activations for patient deterioration  
*Richard Chalwin, Arthas Flabouris, Karoline Kapitola and Leonie Dewick* 364

Benefit of hindsight: systematic analysis of coronial inquest data to inform patient safety in hospitals  
*Val Pudney and Carol Grech* 371

A novel approach for managing the growing demand for ambulance services by low-acuity patients  
*Kathryn Eastwood, Amee Morgans, Karen Smith, Angela Hodgkinson, Gareth Becker and Johannes Stoelwinder* 378

Incremental cost-effectiveness of trauma service improvements for road trauma casualties: experience of an Australian major trauma centre  
*Michael M. Dinh, Kendall J. Bein, Delia Hendrie, Belinda Gabbe, Christopher M. Byrne and Rebecca Ivers* 385

Normalising advance care planning in a general medicine service of a tertiary hospital: an exploratory study  
*Ian A. Scott, Nalaka Rajakaruna, Darshan Shah, Leyton Miller, Elizabeth Reymond and Michael Daly* 391

Point prevalence of suboptimal footwear features among ambulant older hospital patients: implications for fall prevention  
*Satyan R. Chari, Prue McRae, Matthew J. Stewart, Joan Webster, Mary Fenn and Terry P. Haines* 399

Advance care planning in Australia: what does the law say?  
*Rachel Z. Carter, Karen M. Detering, William Silvester and Elizabeth Sutton* 405

Mealtime interruptions, assistance and nutritional intake in subacute care  
*Judi Porter, Anita Wilton and Jorja Collins* 415

### Health Policy

Developing an Australian health and aged care research agenda: a systematic review of evidence at the subacute interface  
*Jenny Davis, Amee Morgans and Joan Stewart* 420

Integrated health care: it's time for it to blossom  
*Sandeep Reddy* 428

### Workforce

Clinical supervision for allied health staff: necessary but not sufficient  
*Sandra G. Leggat, Bev Phillips, Philippa Pearce, Margaret Dawson, Debbie Schulz and Jenni Smith* 431

Australian physiotherapy workforce at a glance: a narrative review  
*Adri Pretorius, Nuresha Karunaratne and Susan Fehring* 438

Future of medical engagement  
*Helen Dickinson, Marie Bismark, Grant Phelps and Erwin Loh* 443

## Models of Care

Patient satisfaction with a hospital-based neuropsychology service

*Amie Foran, Elisa Millar and Diana Dorstyn* 447

## Indigenous Health

Implementing Indigenous community control in health care: lessons from Canada

*Josée G. Lavoie and Judith Dwyer* 453

Role of non-Indigenous researchers in Indigenous health research in Australia: a review of the literature

*Marion A. Gray and Florin I. Oprea* 459

## International

Consequences for overcrowding in the emergency room of a change in bed management policy on available in-hospital beds

*Pierre-Géraud Claret, Thierry Boudemaghe, Xavier Bobbia, Andrew Stowell, Élodie Miard, Mustapha Sebbane, Paul Landais and Jean-Emmanuel De La Coussaye* 466

## Comment

Comment on 'Building allied health workforce capacity: a strategic approach to workforce innovation'

*Sonal Wallace* 473

## Letters to the Editor

Our red-green world

*Parham Habibzadeh* 474

Healthcare-associated infections in Australia: is it time for national surveillance?

*Natalie Shalit* 475

# More people in health and community services choose HESTA for their super

Supports your industry | Low fees | A history of strong returns

Issued by H.E.S.T. Australia Ltd ABN 66 006 818 695 AFSL 235249, the Trustee of Health Employees Superannuation Trust Australia (HESTA) ABN 64 971 749 321. Investments may go up or down. # deeble institute

A graphic consisting of several red and dark blue molecular or network-like structures, resembling interconnected nodes and lines.

We connect researchers, policy makers and practitioners to promote research that informs national health policy

## WHAT WE DO

-  **Publish easy to read, objective briefs that synthesise and interpret the evidence in an area of health policy**
-  **Undertake rigorous, independent research on important national health policy issues with our academic partners and health service members**
-  **Facilitate knowledge exchange through events, workshops and short courses**
-  **Help researchers translate their academic research into policy and practice**
-  **Connect policymakers, researchers and practitioners when they need expert advice**

Join our network of researchers, policymakers and practitioners  
Be part of our activities to influence Australia's health policy  
Participate in rigorous, independent research activities to fill health policy gaps

# Journals from CSIRO Publishing

CSIRO Publishing operates as an independent science and technology publisher with a global reputation for quality products and services. Our internationally recognised publishing programme covers a wide range of scientific disciplines, including agriculture, the plant and animal sciences, health and environmental management.

Our product range includes journals, books and magazines. We publish content in print and online, and our editorial standards and production methods are at the forefront of e-publishing standards.

## **Animal Production Science**

Food, Fibre and Pharmaceuticals from Animals

## **Australian Health Review**

Journal of the Australian Healthcare & Hospitals Association

## **Australian Journal of Botany**

Southern Hemisphere Botanical Ecosystems

## **Australian Journal of Chemistry**

An international journal for chemical science

## **Australian Journal of Primary Health**

Issues influencing community health services and primary health care

## **Australian Journal of Zoology**

Evolutionary, Molecular and Comparative Zoology

## **Australian Mammalogy**

The Journal of the Australian Mammal Society

## **Australian Systematic Botany**

Taxonomy, Biogeography & Evolution of Plants

## **Crop & Pasture Science**

Plant Sciences, Sustainable Farming Systems & Food Quality

## **Emu - Austral Ornithology**

A Journal of BirdLife Australia

## **Environmental Chemistry**

Environmental problems- Chemical approaches

## **Exploration Geophysics**

Bulletin of the Australian Society of Exploration Geophysicists

## **Functional Plant Biology**

Plant Function & Evolutionary Biology

## **Health Promotion Journal of Australia**

Journal of the Australian Health Promotion Association

## **Historical Records of Australian Science**

The history of science, pure and applied, in Australia and the southwest Pacific

## **International Journal of Wildland Fire**

Published on behalf of the International Association of Wildland Fire

## **Invertebrate Systematics**

Systematics, Phylogeny and Biogeography

## **Marine & Freshwater Research**

Advances in the Aquatic Sciences

## **Microbiology Australia**

Bringing microbiologists together

## **Pacific Conservation Biology**

A journal dedicated to conservation and wildlife management in the Pacific region

## **Preview**

The Magazine of the Australian Society of Exploration Geophysicists

## **Reproduction, Fertility and Development**

Vertebrate Reproductive Science & Technology

## **Sexual Health**

Publishing on sexual health from the widest perspective

## **Soil Research**

Soil, Land Care & Environmental Research

## **The Rangeland Journal**

Rangeland Ecology & Management

## **The South Pacific Journal of Natural and Applied Sciences**

Research and review papers in the area of science, engineering and mathematics

## **Wildlife Research**

Ecology, Management and Conservation in Natural and Modified Habitats

**CSIROPUBLISHING**
