

The APEA Journal

THE AUSTRALIAN PETROLEUM EXPLORATION ASSOCIATION

An association for the promotion and development of indigenous oil and natural gas in Australia incorporating:

THE MEMBERS

(Organisations which are bona fide explorers)

THE SERVICE COMPANY MEMBERS

(Organisations providing facilities, technical services, and supplies for the exploration industry)

THE PROFESSIONAL DIVISION MEMBERS

(Persons engaged in professional activities, directly and indirectly connected with the petroleum exploration industry)

The Association publishes a scientific and technical journal (THE APEA JOURNAL) periodically.

Papers on scientific subjects related to petroleum exploration will be accepted for publication subject to editorial approval.
