Special issue: Reproductive performance of northern Australia beef herds

Foreword

Foreword: Reproductive performance of northern Australia beef herds

Michael R. McGowan

i–ii

Research Papers

- Reproductive performance of northern Australia beef herds. 1. Survey of nutritional, breeding and herd health management practices and of the environment
K. D. McCosker, S. Jephcott, B. M. Burns, D. R. Smith, G. Fordyce, P. K. O'Rourke and M. R. McGowan 301–310
- Reproductive performance of northern Australia beef herds. 2. Descriptive analysis of monitored reproductive performance
K. D. McCosker, G. Fordyce, P. K. O'Rourke and M. R. McGowan 311–319
- Reproductive performance of northern Australian beef herds. 3. Descriptive analysis of major factors affecting reproductive performance
K. D. McCosker, D. R. Smith, B. M. Burns, G. Fordyce, P. K. O'Rourke and M. R. McGowan 320–331
- Production and performance of commercial beef breeding females in northern Australia. 4. Factors influencing the occurrence of lactating cows becoming pregnant within 4 months of calving
K. D. McCosker, N. R. Perkins, G. Fordyce, P. K. O'Rourke and M. R. McGowan 332–349
- Reproductive performance of northern Australia beef herds. 5. Factors influencing risk of non-pregnancy
K. D. McCosker, N. R. Perkins, G. Fordyce, P. K. O'Rourke and M. R. McGowan 350–364
- Reproductive performance of northern Australia beef herds. 6. Risk factors associated with reproductive losses between confirmed pregnancy and weaning
G. Fordyce, K. D. McCosker, T. S. Barnes, N. R. Perkins, P. K. O'Rourke and M. R. McGowan 365–377
- Reproductive performance of northern Australia beef herds. 7. Risk factors affecting mortality rates of pregnant cows
G. Fordyce, K. D. McCosker, D. R. Smith, N. R. Perkins, P. K. O'Rourke and M. R. McGowan 378–387
- Reproductive performance of northern Australia beef herds. 8. Impact of rainfall and wild dog control on percentage fetal and calf loss
Lee R. Allen, Tamsin S. Barnes, Geoffry Fordyce, Kieren D. McCosker and Michael R. McGowan 388–394
- Defining the primary business measure of liveweight production for beef cows in northern Australia
Geoffry Fordyce, Tamsin S. Barnes, Michael R. McGowan, Nigel R. Perkins, David R. Smith and Kieren D. McCosker 395–409
- Australian cattle herd: a new perspective on structure, performance and production
Geoffry Fordyce, Richard Shephard, Tim Moravek and Michael R. McGowan 410–421

Corrigendum

- Corrigendum to:* Production and performance of commercial beef breeding females in northern Australia. 4. Factors influencing the occurrence of lactating cows becoming pregnant within 4 months of calving
K. D. McCosker, N. R. Perkins, G. Fordyce, P. K. O'Rourke and M. R. McGowan 422–422
