Aboriginal & Torres Strait Islander Researchers Development Scheme '98. The objective of the scheme is to develop the research expertise of Aboriginal and Torres Strait Islander researchers to a level at which you can compete successfully for mainstream research funding. Grants under the scheme may be awarded for a research project which forms part of a current higher research degree study, or an independent research project. Contact: The research Grants & Training Section Research Branch (Location 441), Department of Employment, Education and Youth Affairs, GPO Box 9880 Canberra City, ACT 2601. Tel: (02) 6240 9706; Fax: (02) 6240 9781; email: rbfellow@deetya.gov.au

Rural Health Research Register, Monash University, Centre for Rural Health. The Rural Health Research Register is a National database which contains information on a wide range of research and educational projects in the field of rural health. The Register is instrumental as a directory of research personnel involved in rural health projects. Details of the project title, description, keywords, publications arising from the research and the source of allocated funding can be provided. Access to the RHRR is by phone, fax, letter or email or by direct on-line access via the Web. Information: The Co-ordinator, Rural Health Research Register, PO Box 424, Traralgon 3844, Victoria. Tel: (03) 5173 8181; Fax: (03) 5173 8182; email: rural.health@med.monash.edu.au
