

Australian Health Review

CONTENTS Volume 39, Number 5, 2015

Editorial

Is our health workforce prepared for future health megatrends?

Gary E. Day 487

Models of Care

Models of care choices in today's nursing workplace: where does team nursing sit?

Greg Fairbrother, Mary Chiarella and Jeffrey Braithwaite 489

Models of care involving district hospitals: a rapid review to inform the Australian rural and remote context

Susan A. Nancarrow, Alison Roots, Sandra Grace and Vahid Saberi 494

Implementation and impact of an extended-hours service in mental health care: lessons learned

Deanna Erskine, Barbara Baumgartner and Sue Patterson 508

A multi-organisation aged care emergency service for acute care management of older residents in aged care facilities

Jane Conway, Sophie Dilworth, Carolyn Hullick, Jacqueline Hewitt, Catherine Turner and Isabel Higgins 514

Evaluation of a mobile X-ray service for elderly residents of residential aged care facilities

Michael Montalto, Simon Shay and Andy Le 517

Health Service Research

Can the simple clinical score usefully predict the mortality risk and length of stay for a recently admitted patient?

Minh T. Nguyen, Richard J. Woodman, Paul Hakendorf, Campbell H. Thompson and Jeff Faunt 522

Relinquishing or taking control? Community perspectives on barriers and opportunities in advance care planning

Vanette E. J. McLennan, Jennifer H. M. Boddy, Michelle G. Daly and Lesley M. Chenoweth 528

National Emergency Access Targets metrics of the emergency department–inpatient interface: measures of patient flow and mortality for emergency admissions to hospital

Clair Sullivan, Andrew Staib, Rob Eley, Alan Scanlon, Judy Flores and Ian Scott 533

Back to basics: an audit of measurement of infant growth at presentation to hospital

Lesley Alison Williams, Robert S. Ware, Peter S. W. Davies 539

The 'unnecessary' use of emergency departments by older people: findings from hospital data, hospital staff and older people

Debbie Faulkner and Julie Law 544

Advance care planning in 21st century Australia: a systematic review and appraisal of online advance care directive templates against national framework criteria

Tim Luckett, Priyanka Bhattarai, Jane Phillips, Meera Agar, David Currow, Yordanka Krastev and Patricia M. Davidson 552

Sudden cardiac death rates in an Australian population: a data linkage study

Jia-Li Feng, Siobhan Hickling, Lee Nedkoff, Matthew Knuiman, Christopher Semsarian, Jodie Ingles and Tom G. Briffa 561

South Asians and Anglo Australians with heart disease in Australia

Sabrina Gupta, Rosalie Aroni, Siobhan Lockwood, Indra Jayasuriya and Helena Teede 568

Workforce

Pre-entry student clinical placement demand: can it be met?

Liza-Jane McBride, Cate Fitzgerald, Laura Morrison and Julie Hulcombe 577

Retirement patterns of Australian doctors aged 65 years and older

Catherine M. Joyce, Wei C. Wang and Hayley M. McDonald 582

Australian doctors' non-clinical activities: results from the Medicine in Australia: Balancing Employment and Life (MABEL) survey of doctors

Catherine Joyve, Harris Eyre, Wei Chun Wang and Caroline Laurence 588

Development, implementation and evaluation of an interprofessional graduate program for nursing-paramedicine double-degree graduates

Julie Considine, Tony Walker and Debra Berry 595

Health Policy

Chronic wounds should be one of Australia's National Health Priority Areas

Suzanne Kapp and Nick Santamaria 600

Letter to the Editor

Health professionals as politicians

Malcolm Forbes, Harris Eyre, Rob Mitchell and Richard Di Natale 603
