

THE APEA JOURNAL

1985 Volume 25 Part 1

Australian Petroleum Exploration Association Ltd.

A large offshore oil rig is silhouetted against a vibrant orange and red sunset sky. The rig's complex structure, including its derrick and various platforms, is clearly visible. A long, horizontal walkway or pipe extends from the main rig structure towards the right side of the frame. The sun is a bright, glowing orb in the upper right corner, casting a shimmering reflection across the dark, choppy surface of the ocean. The overall mood is industrial yet serene, capturing a moment of quiet activity in the offshore energy sector.
