Ceremonial and Principal Addresses

1992 APEA CONFERENCE
Perth, May 1992

Including the papers presented at the
Petroleum Exploration Society of Australia Seminar

Cover:

APEA annually invites drafting personnel in member companies to submit a design for the APEA Journal. The winner receives a free trip to the APEA Conference.

The 1992 cover was designed and drawn by Alison Downie, Marathon Petroleum Australia Ltd.

Alison's idea was "to use various symbols to represent our environment and the oil industry, and by showing them woven in an aboriginal-style tapestry, to give an extra dimension to 'striking the balance'".
