

ACRONYMS AND ABBREVIATIONS

AAP—Association of Australasian Palaeontologists.
AAPG—American Association of Petroleum Geologists.
AATSE—Australian Academy of Technological Sciences and Engineering.
ABARE—Australian Bureau of Agricultural and Resource Economics.
AmCS—American Chemical Society.
AGI—American Geological Institute.
AGPS—Australian Government Publishing Service.
AGSO—Australian Geological Survey Organisation.
AGU—American Geophysical Union.
AICD—Australian Institute of Company Directors.
AusIMM—Australasian Institute of Mining and Metallurgy.
AIMS—Australian Institute of Marine Science.
AIP—Australian Institute of Petroleum.
AJES—Australian Journal of Earth Sciences.
AMC—Australian Manufacturing Council.
AMPLA—Australian Mining and Petroleum Law Association Limited.
AMSA—Australian Marine Science Association.
APCRC—Australian Petroleum Co-operative Research Centre.
API—American Petroleum Institute.
APPEA—Australian Petroleum Production and Exploration Association Limited.
ASEG—Australian Society of Exploration Geophysicists.
ASLO—American Society for Limnology and Oceanography.
ASME—American Society of Mechanical Engineering.
BMR—Bureau of Mineral Resources.
BRS—Bureau of Resource Sciences.
CPG—Canadian Petroleum Geology.
CSIRO—Commonwealth Scientific and Industrial Research Organisation.
CSPG—Canadian Society of Petroleum Geologists.
EAOG—European Association of Organic Geochemists.
EIA—Environment Institute of Australia.
FESA—Formation Evaluation Society of Australia.
FESWA—Formation Evaluation Society of Western Australia.
FTA—Finance and Treasury Association.
GAC—Geological Association of Canada.
GSAm—Geological Society of America.
GSA—Geological Society of Australia.
GSC—Geological Society of Canada.
GSL—Geological Society of London.
GSNSW—Geological Survey of New South Wales.
GSNZ—Geological Society of New Zealand.
GSPNG—Geological Survey of Papua New Guinea.
GSSA—Geological Survey of South Australia.
GST—Geological Survey of Tasmania.
GSV—Geological Survey of Victoria.
GSWA—Geological Survey of Western Australia.

IAG—Indonesian Association of Geologists
IAMG—International Association of Mathematical Geology.
IAS—International Association of Sedimentologists
ICA—Institute of Chartered Accountants.
ICE—Institution of Civil Engineers.
ICQS—International Committee on Quantitative Stratigraphy.
IEA—Institute of Engineers Australia.
IEEE—Institute of Electrical and Electronic Engineers Inc.
IPA—Indonesian Petroleum Association.
ISOPE—International Society of Offshore and Polar Engineering.
MCA—Minerals Council of Australia.
MESA—Department of Mines and Energy South Australia.
NCPGG—National Centre for Petroleum Geology and Geophysics.
NELA—National Environmental Law Association.
NGS—Norwegian Geological Society.
NNPGS—Norwegian Petroleum Geologists' Society.
NTGS—Northern Territory Geological Survey.
NZGS—New Zealand Geological Survey.
PASA—Pipelines Authority of South Australia.
PEANZ—Petroleum Exploration Association of New Zealand.
PESA—Petroleum Exploration Society of Australia.
QDME—Queensland Department of Mines and Energy.
QGS—Queensland Geological Survey.
RACI—Royal Australian Chemical Institute.
RMIT—Royal Melbourne Institute of Technology.
RSNZ—Royal Society of New Zealand.
RSSA—Royal Society of South Australia.
RST—Royal Society of Tasmania.
RSV—Royal Society of Victoria.
SAA—Standards Association of Australia.
SCA—Society of Core Analysts.
SEG—Society of Exploration Geophysicists.
SEPM—Society of Economic Paleontologists and Mineralogists.
SIA—Securities Institute of Australia.
SOP—The Society of Organic Petrologists.
SP—School of Petroleum, University of Adelaide.
SPE—Society of Petroleum Engineers.
SPWLA—Society of Petroleum Well Log Analysts.
SSG—Society for Sedimentary Geology.
SUT—Society for Underwater Technology.
TIA—Taxation Institute of Australia.
UNSW—University of New South Wales.
VIMS—Victorian Institute of Marine Science.
WAMPRI—Western Australian Mining and Petroleum Research Institute.
