CONTENTS Volume 52, Issue 4, 2012, 197–286

REVIEW

Livestock in no-till cropping systems – a story of trade-offs

James Fisher, Peter Tozer and Doug Abrecht 197–214

RESEARCH PAPERS

Estimates of variances due to parent of origin effects for weights of Australian beef cattle

Karin Meyer and Bruce Tier 215–224

Methane yields from Brahman cattle fed tropical grasses and legumes

P. M. Kennedy and E. Charmley 225–239

Effect of mulberry silage supplementation during late fattening stage of Hanwoo

(*Bos taurus coreanae*) steer on antioxidative enzyme activity within the *longissimus* muscle

S. H. Cheong, K. H. Kim, B. T. Jeon, P. J. Park, I. H. Hwang, N. J. Choi, E. T. Kim, S. K. Hong, J. H. Park, S. H. Sung, D. G. Thomas and S. H. Moon 240–247

Lamb growth performance and carcass weight from rotationally grazed perennial pasture systems compared with annual pasture systems with supplements

V. F. Burnett, G. R. Seymour, S. Norng, J. L. Jacobs and E. N. Ponnampalam 248–254

Vitamin E and fatty acid content of lamb meat from perennial pasture or annual pasture systems with supplements

E. N. Ponnampalam, V. F. Burnett, S. Norng, R. D. Warner and J. L. Jacobs 255–262

Effect of replacing barley with corn or sorghum grain on rumen fermentation characteristics and performance of Iranian Baluchi lamb fed high concentrate rations

M. Yahaghi, J. B. Liang, J. Balcells, R. Valizadeh, A. R. Alimon and Y. W. Ho 263–268

Effects of pre-incubation upside-down positioning of eggs from breeder flocks with different ages on hatchability and chick quality

A. Salahi, M. Moosanezhad Khabisi and A. K. Esmailizadeh 269–275

Nutritional strategies affect carcass and pork quality but have no effect on intramuscular fat content of pork

D. N. D'Souza, B. P. Mullan, D. W. Pethick, J. R. Pluske and F. R. Dunshea 276–282

Incidence of subclinical toxicity in goats and dairy cows consuming leucaena (*Leucaena leucocephala*) in Thailand

C. Phaikaew, W. Suksaran, J. Ted-arsen, G. Nakamanee, A. Saichuer, S. Seejundee, N. Kotprom and H. M. Shelton 283–286
