

ANIMAL PRODUCTION SCIENCE

CONTENTS Volume 51, Issue 5, 2011, 391–490

REVIEWS

Transmission of weed seed by livestock: a review

J. P. Hogan and C. J. C. Phillips 391–398

Processing technology changes in the Australian sheep meat industry: an overview

D. L. Hopkins 399–405

RESEARCH PAPERS

Effects of twin-bearing ewe nutritional treatments on ewe and lamb performance to weaning

P. R. Kenyon, S. J. Pain, P. G. Hutton, C. M. C. Jenkinson, S. T. Morris, S. W. Peterson and H. T. Blair 406–415

Nitrogen leaching from sheep-, cattle- and deer-grazed pastures in the Lake Taupo catchment in New Zealand

C. J. Hoogendoorn, K. Betteridge, S. F. Ledgard, D. A. Costall, Z. A. Park and P. W. Theobald 416–425

Influence of housing type and age in female pigs. 1. Effects on growth performance and fat deposition and distribution in the carcasses of female Large White \times Landrace pigs grown from 5.5 to 120 kg liveweight

M. Trezona, B. P. Mullan, D. N. D'Souza, F. R. Dunshea, D. W. Pethick, M. D'Antuono, J. Speijers and J. R. Pluske 426–433

Influence of housing type and age in female pigs. 2. Effects on biochemical indicators of fat metabolism and the fatty acid profile of belly fat and back fat depots

M. Trezona, B. P. Mullan, D. N. D'Souza, F. R. Dunshea, D. W. Pethick, M. D'Antuono, M. McGrath and J. R. Pluske 434–442

Identifying sources and trends for productivity growth in a sample of Queensland broad-acre beef enterprises

Daniel Gregg and John Rolfe 443–453

Effect of farm size on performance and profitability of hair goat production in Isparta, Turkey

V. Demircan, H. Yilmaz, M. Gul and H. Koknaroglu 454–459

A complementary forage system whole-farm study: forage utilisation and milk production

S. R. Fariña, S. C. Garcia and W. J. Fulkerson 460–470

Effects of stall dimensions on the welfare of pregnant sows

J. L. Barnett, P. H. Hemsworth, K. L. Butler, B. N. Schirmer, S. S. Borg and G. M. Cronin 471–480

Effect of dietary supplementation with fish oil during the transition period on milk production, plasma metabolites and postpartum anoestrus interval in grazing dairy cows

A. Mendoza, D. Crespi, A. Hernández, N. Roura, H. Valentín, A. La Manna and D. Cavestany 481–489

Erratum to: Relationship between litter birthweight and litter size in five goat genotypes

Miguel Mellado, Cesar A. Meza-Herrera, Jesus R. Arévalo, Maria A. De Santiago-Miramontes, Alvaro Rodríguez, Juan R. Luna-Orozco and Francisco G. Veliz-Deras 490
