

Corrigendum

Comparative geographical variation in seedling morphology of three closely related red mahoganies, *Eucalyptus urophylla*, *E. pellita* and *E. scias*

K. Pinyopusareerk, B.V. Gunn, E.R. Williams and L.D. Pryor

Volume 41 Number 1 (1993), page 31

Figure 4 as printed is incorrect, because of a drafting error. The numeral 23 has been misplaced, giving the impression that seedlot No. 23 (*E. pellita*) groups with *E. urophylla*, which is not the case. The correct figure is reproduced below.
