Temperature-time profile of all the reactions conducted with a Discover<sup>®</sup> CEM microwave reactor:

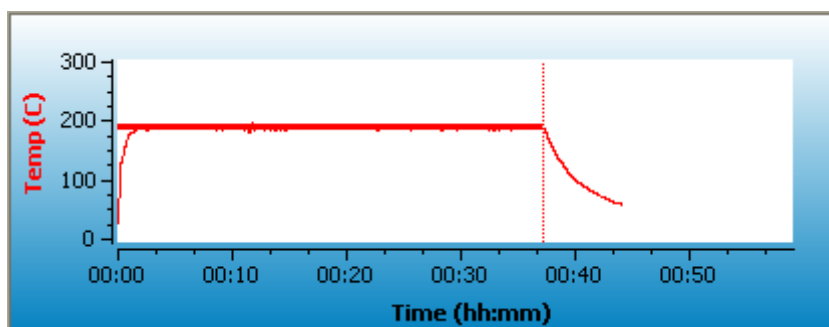

Reaction between **1** and **2a** (Conditions A)

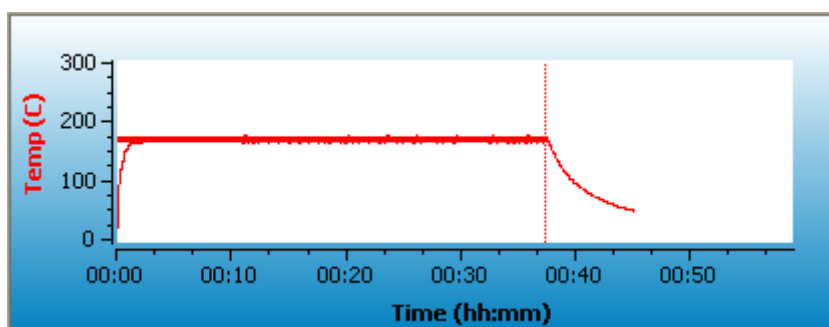

Reaction between **1** and **2a** (Conditions B)

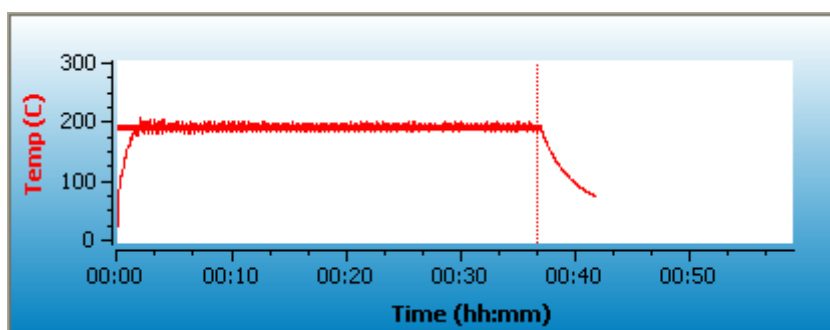

Reaction between **1** and **2b** (Conditions A)

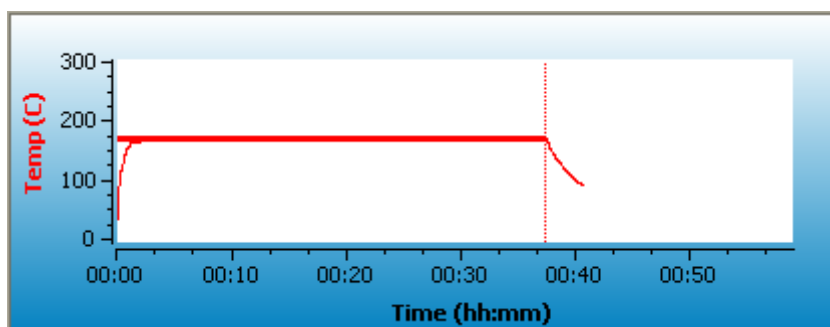

Reaction between **1** and **2b** (Conditions B)

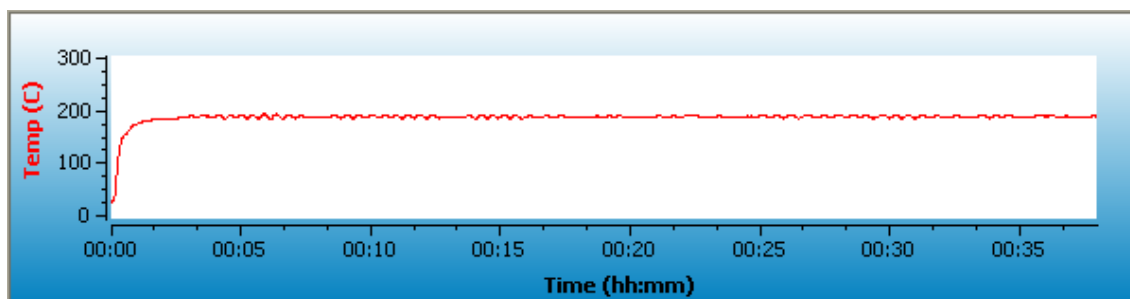

Reaction between **1** and **2c** (Conditions A)

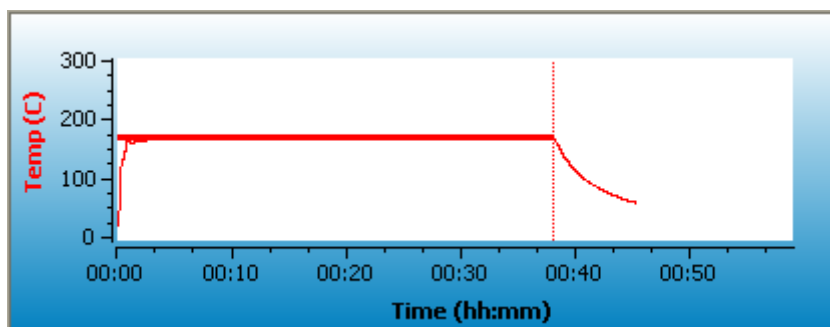

Reaction between **1** and **2c** (Conditions B)

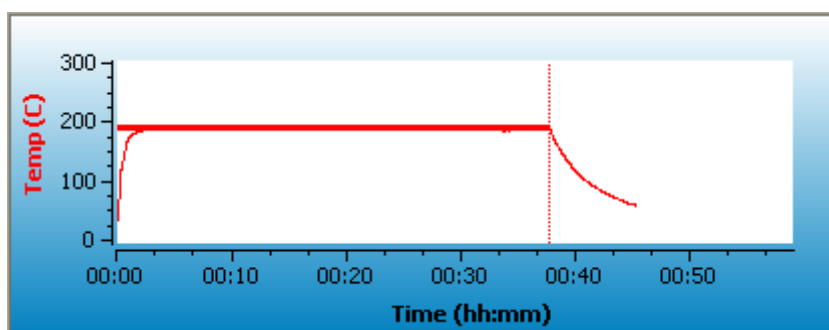

Reaction between **1** and **2d** (Conditions A)

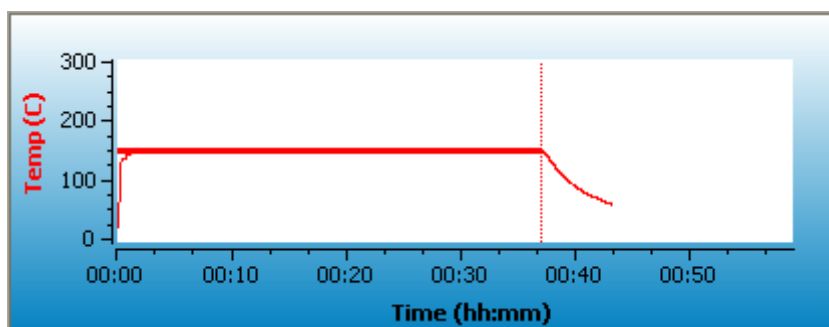

Reaction between **1** and **2d** (Conditions B)

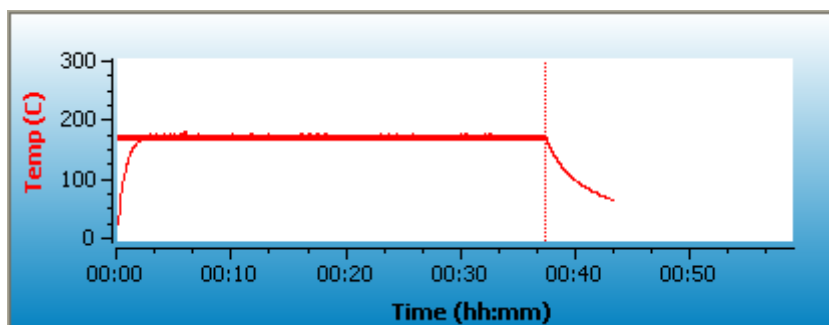

Reaction between **1** and **2e** (Conditions A)

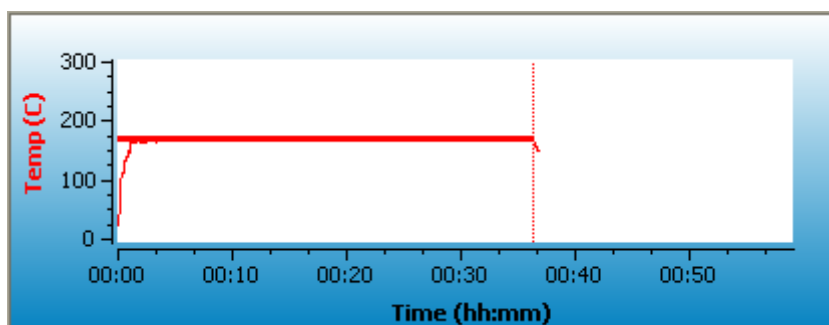

Reaction between **1** and **2e** (Conditions B)

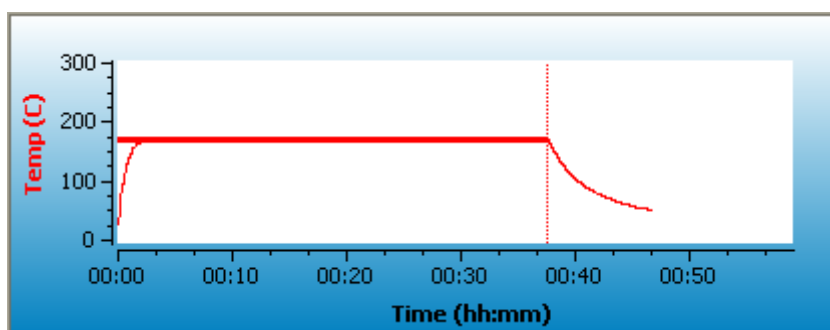

Reaction between **3b** and **2a**

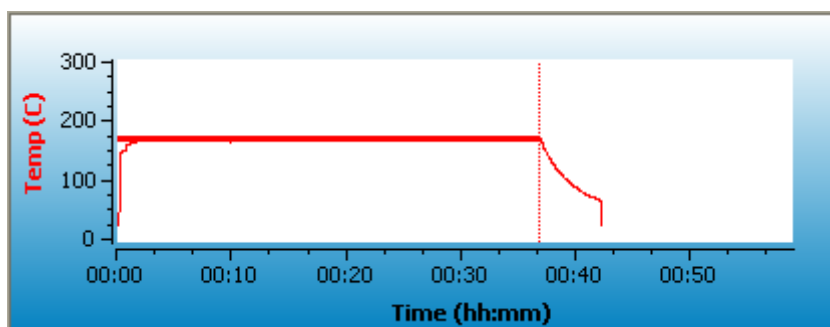

Reaction between **3b** and **2e**

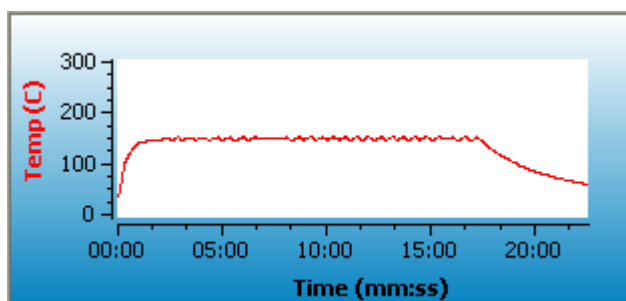

Reaction between **3e** and **2c**

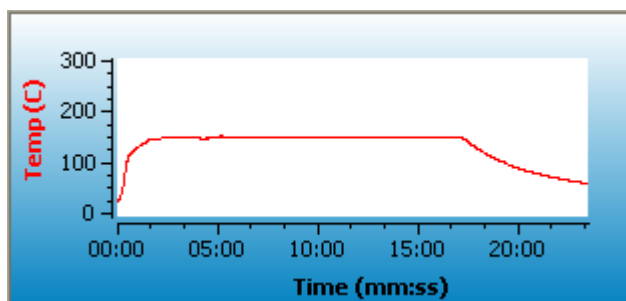

Reaction between **3e** and **2d**

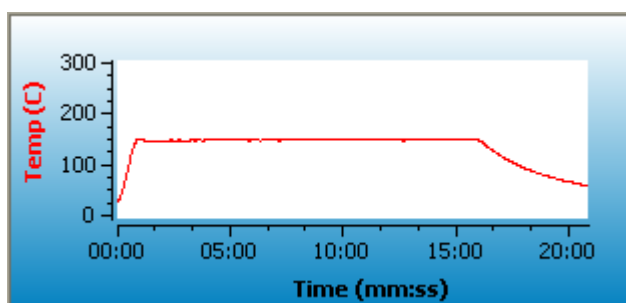

Reaction between **6** and **7a**

Reaction between **6** and **7b**

Reaction between **6** and **7c**

Reaction between **6** and **7d**
