

Supplementary Material

Two new one-dimensional homospin Dy(III) compounds showing slow magnetic relaxation

Feng Luo*, Yu-mei Song, Hai-xiao Huang, Xiao-zhao Tian, Gong-ming Sun, Yan Zhu, and Xue-Feng Feng

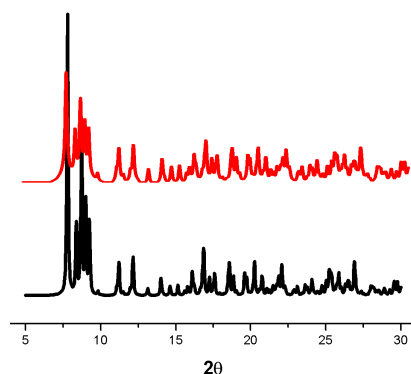

Figure S1. The experimental XRD pattern/red of bulk samples and simulated XRD pattern/black from single crystal data of **1**.

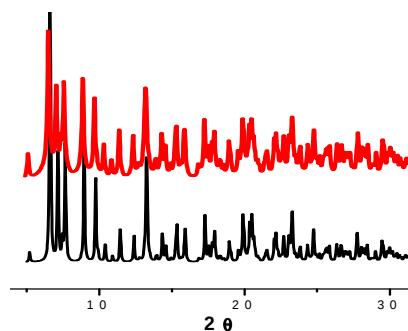

Figure S2. The experimental XRD pattern/red of bulk samepls and simulated XRD pattern/black from singel crystal data of **2**.
