

Australian Mammalogy

Manuscript No. _____

Title of the paper (the 'Work') _____

Corresponding Author _____

By submitting this paper, the Author (Authors if a multi-authored paper) has the right or has obtained authorisation to enter into this Licence and agrees to its submission by signing below.

The Author warrants that the Work:

- Has not been published before
- Is not presently being considered for publication elsewhere
- Does not violate any intellectual property right of any person or entity
- Does not contain any subject matter that contravenes any laws (including defamatory material and misleading and deceptive material) and
- Meets ethical standards applicable to the research discipline.

Terms of the Licence to Publish

1. In consideration for publication of the Work, the Author grants to the Australian Mammal Society, through **CSIRO PUBLISHING** (the 'Publisher') an exclusive worldwide licence to:
 - Reproduce, publish and communicate the Work, or any part of the Work, to the public in any and all media, whether existing before or after the date of this Licence, for commercial purposes for the full remaining term of the copyright subsisting in the Work in each applicable jurisdiction
 - Approve fair and reasonable permission requests from third parties to reuse material contained in the Work for the purpose of study, research or subsidiary publication.
2. In addition to the Author's moral rights in respect of the Work, the Author retains the right to:
 - Use the Work for non-commercial purposes within his/her institution
 - Use the Work for further research and spoken presentations (including those that are accompanied by visual materials such as slides, overheads and computer projections)
 - Use the Abstract of the Work for any purpose
 - Use the illustrations (line art, photographs, figures, plates) and research data in his/her own future Works
 - Use the Work within his/her institution for teaching purposes, including course packs and in electronic archives accessible to students
 - Share print or digital copies of the Work with colleagues for their personal use or study.
3. The Author agrees to:
 - Include a link and/or reference to the Work as published by the Publisher on all digital copies used within his/her institution
 - Not reproduce or authorise others to reproduce adaptations of the Work that are substantially identical to the Work for any commercial publication
 - Not permit digital copies of the Work as published by the Publisher to be systematically networked to external users
 - Not use the Work in any way that implies that the Publisher, the Australian Mammal Society, the Journal or the Editorial Advisory Committee endorses any product or procedure described in the Work.
4. When exercising any of the rights assigned or granted, each party is required to give sufficient acknowledgement of the contribution made by the other party to the published material including a citation to the Journal.
5. If the paper is rejected by the Publisher in writing, all rights under this licence revert to the Author.

All authors are requested to sign this form. If not signed by all authors, the corresponding author acknowledges that he/she is signing on behalf of all the authors and with their authorisation. Faxed signatures and multiple forms are acceptable provided the corresponding author collates all the material and submits it in one batch.
