217 Navigating public health chemicals policy in Australia: a policy maker's and practitioner's guide

Maps the complex public health chemicals policy landscape in Australia, an understanding of which is essential for effective environmental health responses and policy development.

Adam Capon, Wayne Smith and James A. Gillespie

228 Trends in notifiable blood lead levels in NSW, 1998–2008

Analyses trends in notifiable blood lead levels in NSW from 1998 to 2008 to help inform public health policy.

Evan J. Freeman, Siranda Torvaldsen, Adam Capon and Glenda L. Lawrence

234 Improving participation by Aboriginal children in blood lead screening services in Broken Hill, NSW

Describes the decline in participation rates in lead screening of Aboriginal children in Broken Hill over the period 2000–2010 and the recommendations to improve rates that emerged from the findings of interviews and focus groups.

Susan L. Thomas, Frances Boreland and David M. Lyle

Communicable Diseases Report, NSW

239 September and October 2012

NSW PUBLIC HEALTH BULLETIN

The *NSW Public Health Bulletin* is a peer-reviewed journal produced by the NSW Ministry of Health and indexed in Medline. It has a NSW focus, however, it aims to support the practice of public health more broadly.

Please address all correspondence and submissions to:
The Editor, *NSW Public Health Bulletin*
Locked Mail Bag 961
North Sydney NSW 2059 Australia
Email: phbulletin@doh.health.nsw.gov.au
Telephone: +61 2 9424 5876
Fax: +61 2 9391 9232

Submission of articles

The *Bulletin* accepts proffered and commissioned articles along with short reports, on all aspects of public health. Articles should be 1500–2000 words, not including tables and figures, and should include an abstract of up to 150 words. Articles should follow the journal style and layout as closely as possible, as described in the Instructions to Authors. Articles should be emailed in a Word for Windows format to: phbulletin@doh.health.nsw.gov.au, and should be accompanied by a covering letter signed by all authors and a License to Publish. The Instructions to Authors, License to Publish and other useful information can be downloaded from the *Bulletin* website.

Distribution

The *Bulletin* is freely available from the *Bulletin* website. Copies of the current issue and back issues can be downloaded in both PDF and HTML formats. If you would like to be notified

when new issues of the *Bulletin* are available online, subscribe to the early alert email system at the *Bulletin* website. The early alert email contains the contents of each new issue along with electronic links to the articles. To receive a printed copy of the *Bulletin*, subscribe online at the Bulletin website, or contact your local public health unit or the editorial office.
eISSN 1834-8610

The *Bulletin* uses digital publishing at all stages of production as a priority over print. The *Bulletin* is printed on archival quality, chlorine-free paper using low volatility vegetable-based inks and uses computer-to-plate technology. The acid-free paper meets the standards of the American National Standards Institute for Information Sciences—Permanence of Paper for Printed Library Materials, ANSI Z39.48-1992.
