

Contents

Introduction	1
1. National competency standards	2
2. Know your chainsaw	3
Parts of a chainsaw	3
The powerhead	3
The cutting attachment	3
Chainsaw safety features	4
Chain brake	4
Muffler and spark arrestor	5
Reduced kickback chain	5
Chain catcher	5
Anti-vibration system	5
Hand guards	5
Ignition switch	5
Throttle trigger lockout (interlock)	5
Decompression valve	5
Guide bar cover (scabbard)	5
Reduced radius guide bar	6
Guide to selecting a chainsaw	6
3. Chainsaw safety	7
Develop a professional attitude	7
Risk management	7
The operator	8
The equipment	8
The work environment	8
Personal protection equipment	9
Other equipment	10
Sharp axe	10
Wedges and hammer	10
Cant hook or breaking bar	10
Fuel and oil container	10
First aid kit	11
Fire control equipment	11
Tool belt	11
Logger's tape	11
Warning signs	12
Chainsaw maintenance kit	12
4. Chainsaw maintenance	13
Powerhead and guide bar maintenance	13
Daily service (or frequent service as required)	13
Periodic service	15
The cutting attachment	18
Drive sprockets	18
Guide bar	20
Saw chain	22
Saw chain sharpening	25
Chain tension	29

5. Chainsaw techniques	31
Pre-start checks	31
Mixing and adding fuel	31
Calculating chainsaw fuel/oil ratio	32
Safe operating techniques	33
Starting	33
Grip	34
Chainsaw reaction	35
Cutting technique	38
Vertical cuts	39
Horizontal cuts	39
Boring cuts	40
6. Trim and cross-cut operations	41
Limbing	41
General basic rules	41
Assessment of stress in limbs/branches	42
Hanging branches	42
Sprung branches	43
Typical trimming work patterns	44
Hardwood limbing	44
Softwood limbing	45
Basic principles of cross-cutting	46
Cross-cutting techniques	47
Trunk sections supported at both ends (bridging cut)	47
Trunk sections supported by one end only (swinging cut)	48
Trunk sections supported along entire length	48
One side in compression (side bind)	49
Plunge cutting	50
Log trap	50
Wind throw and pushed trees	51
Butt trimming	52
Basic principles	52
Ripping	53
Scrub clearing	53
7. Relevant state authorities and technical standards	54
Technical standards	55
