## **Supplementary Material**

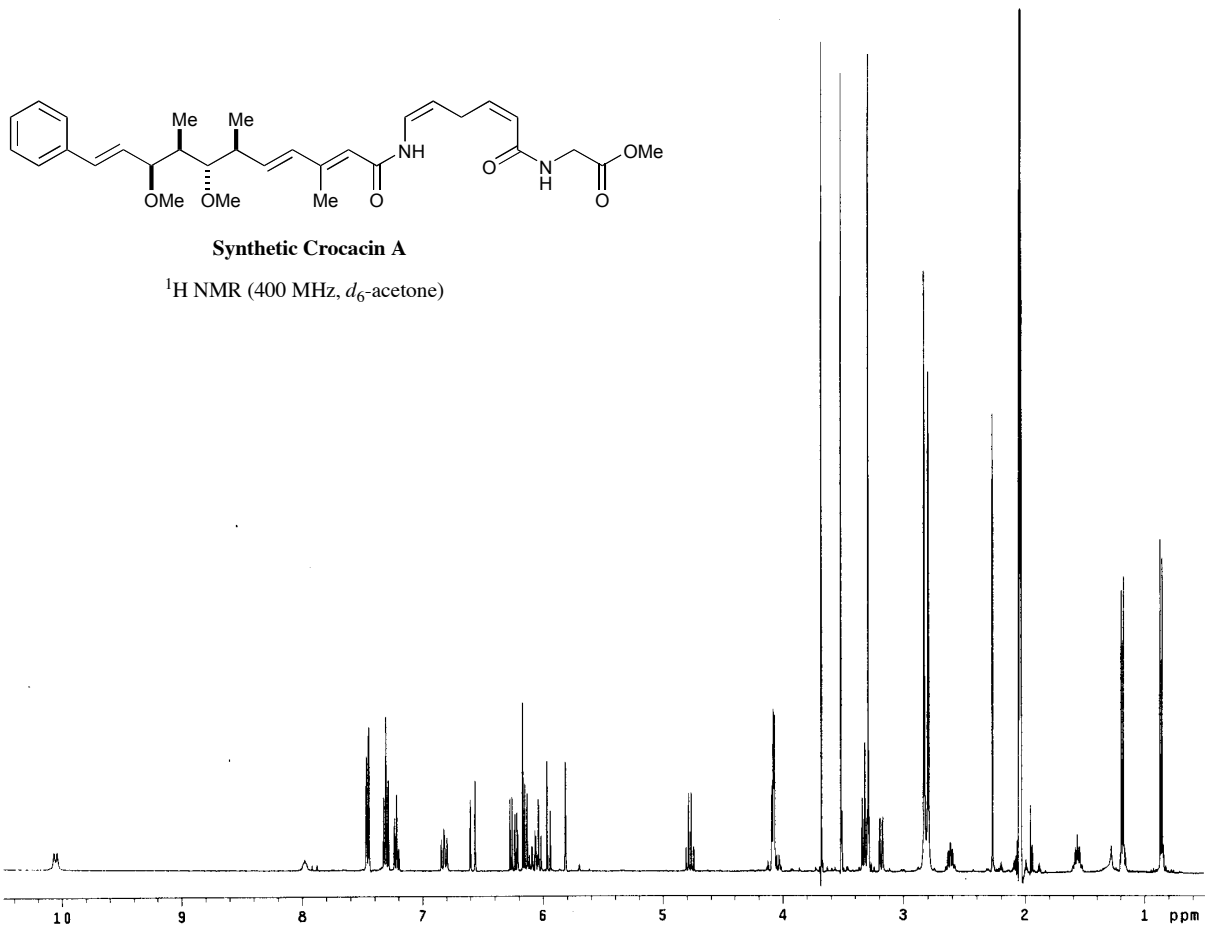

Natural Crocacin A

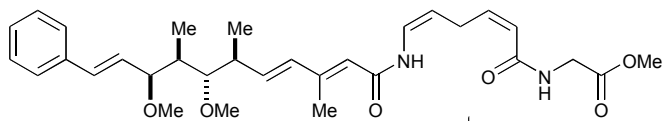

$^1\text{H NMR}$  (400 MHz,  $d_6$ -acetone)

Synthetic Crocacin A

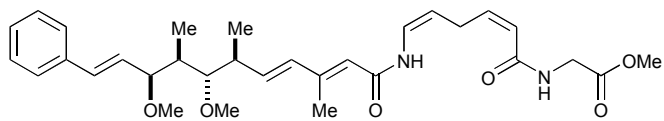

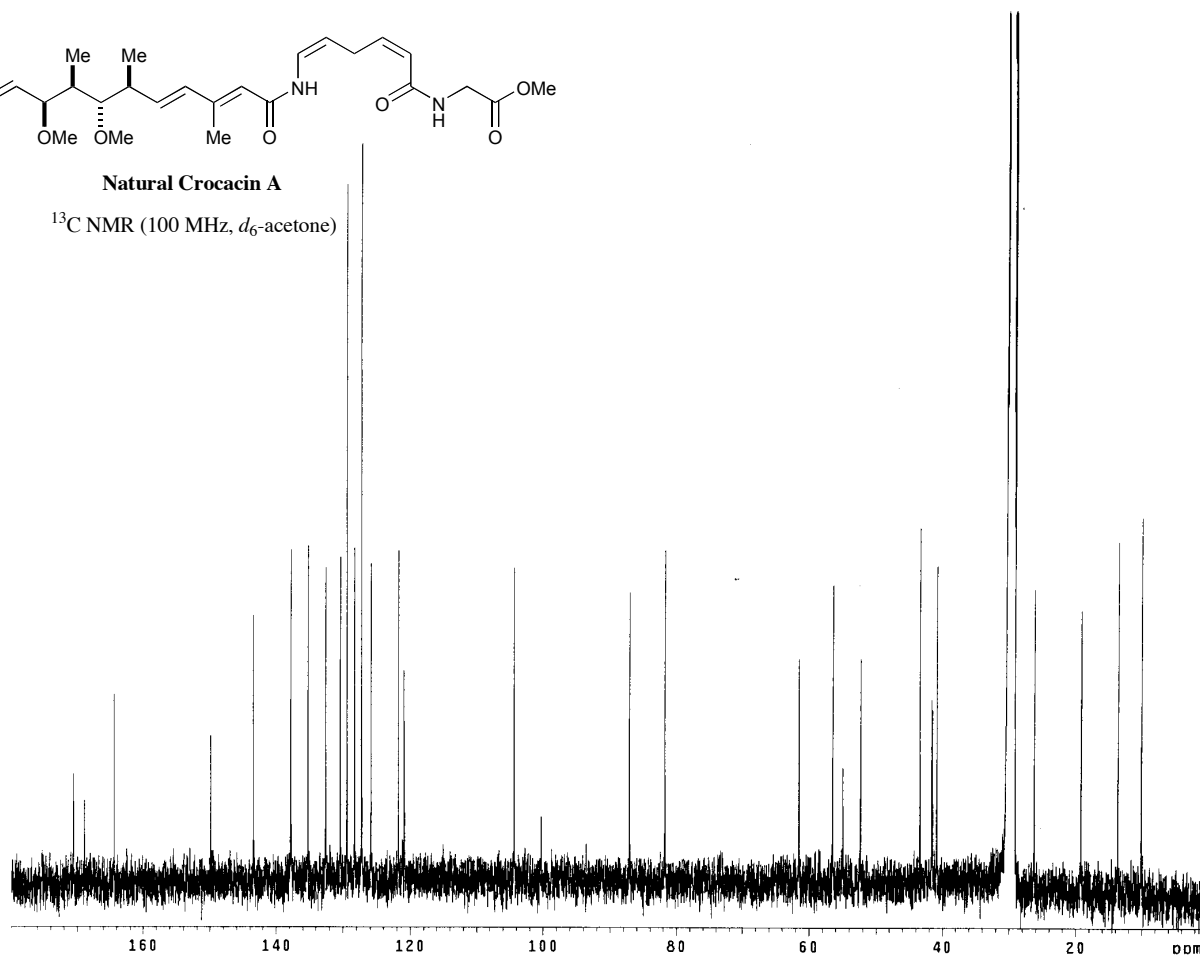

$^1\text{H NMR}$  (400 MHz,  $d_6$ -acetone)

Natural Crocacin A

$^{13}\text{C}$  NMR (100 MHz,  $d_6$ -acetone)

Synthetic Crocacin A

$^{13}\text{C}$  NMR (100 MHz,  $d_6$ -acetone)
