Review

Social and behavioural research prospects for sexually transmissible infection prevention in the era of advances in biomedical approaches

Matthew Hogben, Patricia J. Dittus, Jami S. Leichter and Sevgi O. Aral 103–113

Research papers

Prevalence of rectal *Mycoplasma genitalium* and macrolide resistance in men who have sex with men attending Sydney Sexual Health Centre

Isabella Bradley, Rick Varma, Vickie Knight, Dimitra Iliakis, Leon McNally, Dean Jalocon, Neisha Jeoffreys, Sharon Chen and Anna McNulty 114–120

High levels of engagement with testing for HIV and sexually transmissible infection among gay Asian men in Sydney and Melbourne: an observational study

Danielle Murray, Limin Mao, T.-H. (Horas) Wong, Tim Chen, Brent Mackie, Shih-Chi Kao, Azizul Haque Mahee, Jeffrey Dabbhadatta, Priyadi Prihaswan, Gabrielle Stackpool, Megan Brooks, Graham Brown and David Lewis 121–128

Perceptions of sexually transmissible infection pre-exposure prophylaxis: a qualitative study of high-risk gay and bisexual men in Sydney, New South Wales

Ryan Horn, Denton Callander and Bridget Haire 129–134

Prevalence of sexually transmissible infections and HIV in men attending sex-on-premises venues in Australia: a systematic review and meta-analysis of observational studies

Catriona Ooi, Fabian Y. S. Kong, David A. Lewis and Jane S. Hocking 135–148

Seasonal variations in kissing and sexual activities among men who have sex with men in Melbourne, Australia: implications for seasonal sexually transmissible infection preventions and interventions

Eric P. F. Chow, Lenka A. Vodstrcil and Christopher K. Fairley 149–154

Provider attitudes to the empiric treatment of asymptomatic contacts of gonorrhoea

Sheina Low, Rick Varma, Ruthy McIver, Tobias Vickers and Anna McNulty 155–159

What do young women living in regional and rural Victoria say about chlamydia testing? A qualitative study

Emma Wagg, Jane Hocking and Jane Tomnay 160–166

A quasi-experimental text messaging trial to improve adolescent sexual and reproductive health and smoking knowledge in Indonesia

Alisa E. Pedrana, Jamie Pina, Retna S. Padmawati, Ririh Zuhriana, Lutfan Lazuardi, Megan S. C. Lim, Margaret E. Hellard and Yayi S. Prabandari 167–177

Short reports

Concise report: Teenage sexting on the rise? Results of a cohort study using a weighted sample of adolescents

Joris Van Ouytsel, Michel Walrave, Lieven De Marez, Kristin Van Damme, Ralf De Wolf, Bastiaan Baccarne, Bart Vanhaelewyn and Koen Ponnet 178–181

Non-consensual sharing of personal sexually explicit imagery among young people in Australia: results from an online survey

Caitlin H. Douglass, Cassandra J. C. Wright, Angela C. Davis and Megan S. C. Lim 182–186

Neisseria gonorrhoeae positivity in clients presenting as asymptomatic contacts of gonorrhoea at a sexual health centre

Sue Qian, Rosalind Foster, Christopher Bourne, Tobias Vickers, Ruthy McIver and Anna McNulty 187–191

How should we refer to people attending sexual health services: patients, clients, users or customers?

Colin Fitzpatrick, Aman Bedi and Mary Stewart 192–193

Case report

Severe acute hypokalaemia associated with piperacillin/tazobactam in an HIV-infected patient under antiretroviral therapy with tenofovir alafenamide: case report and literature review

Cheng-Chun Tai, Ruey-Yi Chou, Jiun-Yu Guo and Hsin-Pai Chen 194–197

Letter

Contextual and behavioural risk factors for sexually transmissible infections in young Aboriginal people in central Australia: a qualitative study

Colin Watson, Kirsty Smith, Ahmed Latif, Wendy Armstrong, James Ward, Rebecca Guy and Kate Senior 198–199
