

## > HAVE YOU HEARD?

*The APPEA Journal* captures a complete record of upstream energy industry-leading knowledge, experience and solutions from the annual APPEA Conference.

Published to coincide with the conference, this world-class publication includes peer-reviewed papers and conference proceedings (including presentations and plenary videos) across geoscience, engineering and business management.

## > WHY PUBLISH WITH US?

- Build your reputation and be recognised for your expertise amongst your peers and competitors
- Showcase your work in a world-class publication accessed around the globe
- Indexed in a wide variety of international databases used by specialists in your field
- Retain copyright to use the work for business and customer purposes
- Professional copyediting for every paper

## > DID YOU KNOW?

- All presentations from the conference are published in the journal and conference proceedings, providing a lasting online record of your contribution
- Access a range of tools on *The APPEA Journal* website to measure the impact of your work, including:
  - Who has cited your work and where
  - Which fields your work has been cited in
  - Online mentions of your work, including social media, news publications, policy references and more
- The most read papers by your colleagues.

**Editor-in-Chief: Dr Steve Mackie**  
Geosim Consulting Pty Ltd and  
Australian School of Petroleum,  
University of Adelaide, Australia

## > ABOUT APPEA

The Australian Petroleum Production & Exploration Association (APPEA) is the peak national body representing Australia's oil and gas exploration and production industry.

APPEA aims to secure regulatory and commercial conditions that enable member companies to operate safely, sustainably, and profitably. APPEA also seeks to increase community and government understanding of the upstream petroleum industry by publishing information about the sector's activities and economic importance to the nation.

## > ABOUT CSIRO PUBLISHING

*The APPEA Journal* is published by CSIRO Publishing on behalf of The Australian Petroleum Production & Exploration Association (APPEA). CSIRO Publishing operates as an editorially independent science publisher within Australia's premier research group, Commonwealth Scientific and Industrial Research Organisation (CSIRO), and has been publishing journals since 1948.

Our internationally recognised publishing program includes journals, books and magazines and covers a wide range of scientific disciplines.
