SCOPE

Journal of Primary Health Care is a peer-reviewed, open access journal publishing original research relevant to primary health care in New Zealand and Pacific rim countries. Content is multidisciplinary and includes papers on Māori, Pacific and Asian health issues, epidemiology, health care delivery, health promotion, public health and medical sociology of interest to an audience of primary health care providers.

Journal of Primary Health Care provides its international audience (consisting of general practitioners, practice nurses, community pharmacists and other primary health care practitioners) with independent, peer-reviewed, research-based knowledge to apply in their practices.
