JOURNAL METRICS

METRICS

These metrics are shared as a way of quantifying the impact this journal has on the research community. However, they should always be considered in the context of how they are calculated, and we emphasise that none of these journal-level metrics should be used to judge the impact of an individual article or author, or their research outputs.

SPEED

15 days from manuscript submission to first decision

27 days from manuscript acceptance to publication

USAGE

217,874 downloads in 2022
