

Corrigendum

Volume 38, Number 6

Limnology of Lake Buchanan, a tropical saline lake, and associated pools, of North Queensland.

B. V. Timms

p. 879, third paragraph under *Biological Features*; and p. 882, 11 lines up from the bottom and in Fig. 3.

The species referred to as *Rheotanytarsus* sp. is *Tanytarsus barbitarsis* Freeman. No *Rheotanytarsus* sp. was found in the Lake Buchanan area.
