PARTICIPANTS NEEDED

Men's Health Study

- Are you 16 to 35 years old?
- Are you a sexually active black male?
- Have you ever had sex with men?

If you answered YES to these questions, you may be eligible to participate in a Men's Health Study.

The purpose of this research study is to understand the types of sexual health care services that are most desirable. You will be asked to participate in a small group discussion.

Participation is confidential.

You will receive refreshments and \$30 for your time.
